Dear Sirs:-

Re: N.E.¼ of 14 - 7 - 2 - W.4th.Mer. TEF

I beg to inform you that the above land is my homestead for which I made entry in Medicine Hat, Alberta, in the month of June 1906.

Unfortunately I do not remember the year in which I obtained Patent for my said Homestead.

Being the applicant for Old Age Security I require additional proof of age.

Will you be good enough to search the records of my said homestead and advise me of the age quoted in making application for Patent for same.

Kindly give this matter your early attention and oblige

Yours truly

Emanuel Sturm

No. 8525

[illegible]-1

November 4th, 1944

Mr. [illegible] Hunter,
[illegible],
[illegible] Soldier Allotment Board,
[illegible], Alberta.

Dear Sir:

Re: [illegible] ent 4th Perilous
Just Procedure, Relief.

The above party obtained the following Farm Relief advance loan on security a lien on the title to the above parcel of land:

April 16th, 1940 $ 87.50
Interest to [illegible] 1942 24.53

112.03
Payment 4.00 $ 108.03

Due to continued crop conditions the writer was unable to succeed in his farming operations and found it necessary to endeavour to re-establish himself in a more favorable location, his previous statements being unsound.

The [illegible]-4 was the writer's homestead while the [illegible]-4 was his soldier's grant. The writer originally secured a "settlers grant" to secure a loan in respect of his half section of land. Title to both parcels were taken out in accordance with the provisions of the Dominion Lands Act and [illegible] the jurisdiction of the Soldier Grant Board, Department of Lands and Mines who held this land available for loans for settling returned men at a very nominal rate, due to its location in an area only at a very limited use, due to its location in an area [illegible] not of the very best, were [illegible] sufficient to provide for and interest on this account.

[illegible] there is no possibility of [illegible] payment under the present agreement and in order to [illegible] security is worthless I would recommend that [illegible] be written off and the lien discharged.

Yours very truly,

[illegible]

The Hon Minister of the Interior

Dear Sir

I am about ready to sell my homestead & on compliance of the Government enactment to notify them of intended sale, & suitable land will be found, & time will be given to make the payment, before advertising it to the public

The said Homestead is the S½ of 36, T10 R8 W 4 situated 2½ miles from Olds Penna & 22 miles from Calgary (West)

The land is a chocolate loam & very productive under good cultivation & will produce a crop un-

maximum precipitation.

There are about 22 acres broken and in good tilth
& under cultivation & about 4 acres pasture
even under extreme conditions of this season
& yields than the generality of farms & pastures.
There is a two roomed one storey frame house
worth $600 dollars & commodious & convenient
barn & one under house and one in garden.
& there is a fruit timber capable of holding
8 horses & 3 cows with feed bins & straw racks
& fowl house for 60 hens.

I offer the said premises for $23- dollars

I can advise you that the same is a desirable
occupation & worthy of consideration & one fit

Sir,-

S.E. ¼ Sec. 36 Tp. 10 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

P.S. You will observe from the foregoing that you cannot relinquish your unpatented pre-emption, the S.W. 36-10-8-W. 4th M., with the object of securing it as a second homestead.

I beg to refer again to your letter of the 28th July last and to the Departmental letter sent you on the 14th August following, giving you permission to take up a second free homestead on Dominion land.

In the postscript to the Departmental letter of the 14th August you were advised that you could not relinquish your unpatented pre-emption with the object of securing it as your second homestead. I regret to say that when such letter was written it was not observed that your pre-emption entry had already been cancelled in November, 1915, and that the land had been posted for ordinary settlement on the usual terms.

As your cancelled pre-emption, the S.W. 36-10-8-W. 4th Meridian, is still vacant and available you are at liberty to take it up as your second homestead, provided you have not already exhausted your second homestead right on some other land.

S.E.¼ 36-10-8 W.4th M.

This is the homestead of Herbert James Ingram, patented in his name on the 29th January, 1916. The liens were given directly against this quarter. There is no recent report on file.

S.W.¼ 36-10-8 W.4th M.

This was formerly the pre-emption of Herbert James Ingram, whose entry was cancelled on the 24th November, 1925. The land is described as slightly rolling and stony. The entrant is living at Seven Persons.

On the 1st April, 1930, William Alexander Fowler made entry for this quarter as a homestead, signing the usual agreement to assume the former entrant's indebtedness and applying for an adjustment. In his application for entry, Mr. Fowler stated there was 1½ miles of 2 wire fence on the quarter, wire broken, in poor condition, and valued same at $25.00. An Inspector has been asked to value the improvements, and the amount paid by the new entrant will be applied in reduction of Mr. Ingram's indebtedness.

Hamilton, however, turned bad again and he eventually left the land in disgust. He was later reported to be in a mental hospital in Ontario.

An effort was made to obtain possession of certain horses given by him as collateral security but this proved abortive.

The land in question has been leased by the taxing authorities to one of the remaining settlers and, in common with other Provincial lands situated in the semi-arid districts, the land is of little value other than for grazing purposes.

There is little likelihood that sufficient revenue will ever be derived form this property to permit of payment against this account and I would therefore, recommend that the same be written off in its entirety and the liens released from title to the said property.

Provincial seed grain, in an amount of $ 504.65 has already been cancelled under the provisions of Chapter 52, Statutes of Alberta 1938.

IN THE MATTER OF SAMUEL FRANCIS DALEY, AND SOUTH
AFRICAN VOLUNTEERS BOUNTY LAND CERTIFICATE NO.
5007

.....

I, Samuel Francis Daley, of the Post Office of New
Hay, in the Province of Alberta, farmer, DO SOLEMNLY
DECLARE:-

1. I am the Samuel Francis Daley to whom the South
African Volunteer Bounty Land Certificate No. 5007 was
issued by the Department of the Interior, and I duly re-
ceived the said Certificate.

2. On the fourth day of July, 1909, I was in the office
of J. W. Jones, the Secretary-Treasurer of the Alberta
Farm and Live Stock Company, and I showed the said Cert-
ificate to the said J. W. Jones, as he had previously in-
timated to me that his son was desirous of purchasing such
a Certificate.

3. I did not effect a sale of the said Certificate with
the said J. W. Jones, or his son, and returned the said
Certificate to my pocket, after which I went over to the
house of the said J. W. Jones, which was nearby, and dined
there.

4. After so dining I went to Rosenroll, where I met L.
Waldie, and stayed the night of the said fourth of July
at the Rosenroll Hotel at Rosenroll.

5. Upon the morning of the 5th. of July, 1909, I start-
ed out with the said L. Waldie on a land-seeking tour,
upon which we were engaged for the following eight days.

6. Immediately upon our return

6. Immediately upon our return to Rosenroll Ranch, my then place of residence, being situate near Rosenroll aforesaid, I could not find the said Certificate, though I diligently searched my pockets, and the clothes I was wearing at the time referred to in paragraph 3, having worn the said clothes continuously from the said time to the date of the said search, and I diligently searched all my other clothes and documents, but I could not find the said Certificate, or any trace of it, and the last time I saw the said Certificate was the time referred to in paragraph 3.

7. I enquired of the said J. W. Jones, and the said L. Waldie, and of one Husband, the manager of the said Rosenroll Hotel, but each of them assured me that none of them respectively had found the said Certificate, or any trace of same.

8. The first time I discovered I lost the said Certificate was the time I made the search referred to in paragraph 6.

9. I have been unable to find the said Certificate though I have made every effort to do so, and believe that it cannot be found.

10. While on the said land-seeking tour I was on several occasions bathing, and think that on one of those occasions I may have lost the said Certificate.

I MAKE THIS SOLEMN DECLARATION, conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath, and by virtue of the Canadian Evidence Act, 1893.

Memorandum:-

I beg to return letter of the 12th ultimo, from Mr. F. Daley, of Viste P.O., Alberta, respecting the South African Volunteer Bounty Land Certificate issued to his son, Samuel Francis Daley, and which has been lost.

Mr. Daley states that steps have been taken to obtain the bond of a Guarantee Company, required by the Department in cases of lost South African Land Certificates, but asks if the House did not pass legislation granting duplicate Scrip Certificates to South African Veterans, in lieu of the originals which had been lost.

No such legislation as that referred to by Mr. Daley has been obtained, the amendment to the Volunteer Bounty Act, 1908, to that effect, proposed, I believe, by Mr. Martin, M.P., not having been accepted by the House.

Mr. Samuel F. Daley, the Volunteer, was advised that the Certificate could not be duplicated, but that if he would file a Statutory Declaration, setting out the particulars of the loss of the Certificate, and furnish a bond of a Guarantee Company for $3000.00, if the bond were satisfactory, he would be authorized to select for himself, or to appoint a substitute to select for himself, two adjoining quarter-sections of available Dominion Lands, under the provisions of the Volunteer Bounty Act, 1908.

Sir:- SOUTH AFRICAN VOLUNTEER BOUNTY LAND CERTIFICATE #6494
ISSUED TO MRS. SYLVIA LEITH-ROSS

Mrs. Leith-Ross, the owner of this certificate, arranged last June to dispose of it and left England on 6th July for Northern Nigeria. In the beginning of July the papers were returned by the Purchaser stating that the documents could not be accepted because that the instructions appointing the substitute (form V.B.#3) had not been properly proved, the affidavit of execution having been sworn before a Commissioner for oaths in England instead of before a Notary Public. We have the original power of attorney appointing a substitute. Its execution is witnessed by Cecilia Y. Ruxton, wife of Augustus E. Ruxton, Esquire of Little Drove House, Singleton, Sussex, and also by William Parker Cogan of the City of Chichester, Solicitor. Cecilia Y. Ruxton makes the affidavit proving execution of the document before William Parker Cogan above named who takes it as a commissioner for oaths. Kindly inform us whether or not the Department can accept the document above mentioned.

Mrs. Leith-Ross is a cousin of the writer and he can make affidavit that the signature to the document is in her handwriting. He can also state that the document was forwarded to him by Mrs. Leith-Ross so that there can be no doubt whatever regarding its due execution.

It will take probably six months to get a new Power of Attorney and the delay will involve considerable loss to the purchaser.

We have the honour to be

Your obedient Servants,

Dear Sir,

I return herewith your file No. [illegible]. In particular point to whether Privat Hoolet, a French reservist formerly residing at Wisr, Alta., but now performing military service in France, shall be permitted to return to Canada. I observe that this man was naturalized in Canada in 1911. His letter is not very clear as to whether he is actively engaged in military operations or whether he is now employed in the production of food supplies in France. I think it would be inadvisable to interfere in a matter of this kind. If Mr. Hoolet is engaged in active military service with the French forces it is not likely that he would be released by them at the request of this Department. If he is not engaged in active military service, but is performing other service, say in the way of farming, his labour in France is probably more valuable to the French Government and to the Allies than it would be in Canada; in addition, to which were he to come back now it would be difficult to get him over there.

I think it would be well to write him somewhat along this line.

Yours very truly,

I beg to return your Ref. As you are aware, the Volunteer Bounty Act, 1912, does not extend the time in which certificates endorsed in favour of substitutes prior to the 1st of January, 1912, may be located, and the Deputy Minister of Justice, to whom the question was referred, recently advised the Department that substitutes appointed under the Volunteer Bounty Acts before the 1st of January, 1912, have now no right to enter for land but their rights in view of Section 7 of the Act of 1912, are limited to those provided by Sections 5 and 6 of the Act of 1912, a copy of which is attached.

The lands in Township 23, Range 29, West of the 3rd Meridian, in which Mr. Rowles desires to locate his certificates are open for entry except those already disposed of and those included in a couple of small ranches regarding which the Timber Grazing and Irrigation Branch report that they are not aware of any intention to open the same for entry.

E. J. Fream, Esq.,

On April 1st 1930 William A. Fowler made entry for this quarter section as a homestead and signed the usual agreement to assume liability for the relief indebtedness subject to adjustment.

According to a Homestead Inspector's report this property is situated near Seven Persons in a very dry district. The soil is light loam and the only improvement is a wire fence valued at $20.00.

In view of the situation of this property in a dry district and of its low value I am of the opinion that the new entrant will expend in monies and labour in the performance of homestead duties a sum which will exceed the value of the land. If he is called upon to make any payment on account of the relief indebtedness he will in all probability abandon his entry. To obviate the likelihood of this I recommend that no portion of the relief indebtedness be retained as a charge on S.W. 36- 10- -- W.4th.

There can be no final disposition of this seed grain and relief account while liens to secure it are registered on title to the S.E. 36- 10- -- W.4th. The chattel security is valueless. The debtor himself however, hopes by sale of the S.E. 36- 10- -- W.4th to liquidate some portion of his indebtedness. He is unable to do so at present as he is barely making a living raising chickens in the village of Seven Persons. His wife is a chronic invalid suffering from rheumatoid arthritis.

Yours truly,

ELJ/FB.

Dear Sir:

Re: Herbert J. Ingram - Provincial liens
S.½ 36- 10- 8- W.4th

Herbert J. Ingram obtained seed grain and relief advances from the Province of Alberta for which he is indebted as hereunder shewn:

Seed Grain -	April 3, 1919	$240.95	
	April 3, 1920	212.86	
	April 30, 1921	48.50

	Total Capital	$675.66	
Interest to Aug. 31, 1929		344.59	
			$1020.25
Relief -	December 15, 1921	$ 27.30	
	January 17, 1922	18.60	
	February 14, 1922	18.30	
	March 14, 1922	23.90	
	March 25, 1922	81.80	
	April 11, 1922	16.25	
	Total Capital	$186.15	
Interest to Aug. 31, 1929		97.77	
			283.92
			$1304.17

As security he signed lien agreements purporting to charge the S.½ 36- 10- 8- W.4th, promissory notes and a mortgage on 6 horses. Liens are duly registered on title to the S.E. 36- 10- 8- W.4th of which the debtor is still registered owner. They are subsequent to a mortgage to the Excelsior Life Insurance Company. There is at present no application for their adjustment.

Liens for all the advances were held on the S.W. 36- 10- 8- W.4th for which the debtor held preemption entry which was cancelled on November 24th 1926. By cancellation of this entry the seed grain liens have become invalid as charges against that property. The relief liens, however, still constitute a charge on it.

Board order No. 3425 provided that since the South West quarter of the above described section was the pre-exemption entry of the debtor and the pre-emption was cancelled, this account be removed insofar as the South-west quarter was concerned and be retained only against the South East quarter.

The land was located in an Improvement District and taxes were allowed to accumulate, Title was acquired by the Department of Municipal Affairs on February 27th, 1948 and arrears of taxes now amount to Three-hundred Twenty-three dollars and Twenty-two cents ($323.22.)

An offer has been received from the Colonization Manager of the Department of Water Resources for the purchase of the S.E.¼ 36-10-8-4 and the Department of Municipal Affairs has agreed to the sale of this parcel for Three-Hundred and Twenty-three dollars and Twenty-two cents ($323.22). The said parcel is assessed at Three-Hundred Ninety dollars ($390.00). The sale price would appear to be a fair value and in accordance with the established policy governing sale of lands for irrigation development. ANy increase which is being paid for out of public funds.

I would recommend that the offer of a compromise settlement be accepted and after allowing for a nominal charge of Five dollars ($5.00) to cover transfer costs the allocation of the sale proceeds would be as follows:

Joint Relief Advances	$ 56.27
Prov. Seed Grain Advances	228.80
Arrears of Taxes	33.15
	$318.22

After providing for application of the sale proceeds in this manner, I would recommend that the accounts be adjusted so that they will stand paid in full and the liens be discharged.

Joint Relief Advances.

The attached report, with recommendations of the Relief Collector of the Collection Branch, Department of Municipal Affairs, dated June 7, 1947, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 194[illegible], I [illegible] that the recommendation for the adjustment and settlement of the said account contained in the said report be, and the same are, hereby [illegible] and adopted.

Dear Sir:

Re: NW 24-15-21-4.
John Platibo.
Joint Relief Advances.

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land which were subsequent to a mortgage registered by the Great West Life Assurance Company.

Relief.

Apr. 20/21	46.00
Feb. 6/22	51.65
Feb. 6/22	15.40

May 22/22	36.00

Int. to Mar. 31/32	201.05
	$471.05

Some time ago the Great West Life Assurance Company undertook to make some recovery on their mortgage which amounted to more than three thousand dollars ($3000.00). They negotiated a sale of the property for the sum of one thousand, two hundred dollars ($1200.00) which was the greatest amount that could be realized. From the proceeds of this sale taxes of one hundred and seventy dollars ($170.00) had to be taken care of and after other expenses were paid there remained a sum of approximately nine hundred dollars ($900.00). In order to release the liens from the title to this land the Company offered a sum of one hundred dollars ($100.00) for that purpose which meant that they realized only eight hundred dollars ($800.00) for application on the amount owing under the mortgage. Should this offer not have been accepted the Company would have proceeded with foreclosure actions resulting in the liens being wiped out entirely.

Cont.

Cont.

--2--

The debtor himself was never able to take much headway due to being only a fair farmer and living situated in a territory where the soil was not exceptionally good and which in addition very consistently suffers from drought conditions. The debtor has not been heard from for years and even though he were still alive he would be a man well past middle age and it would accordingly be hopeless to look for any repayment under the personal covenant.

As the mortgage referred to above was prior to the liens it would seem advisable to accept the sum offered as otherwise the liens would be wiped out entirely. In view of this and the fact that there is no possibility of making any further recovery I would recommend that after application of the sum of one hundred dollars ($100.00) the balance of the account be written off and the liens discharged.

Yours very truly,

Sir,-

I am to acknowledge the receipt of your letter of the 23rd ultimo, and to reply to the effect that you cannot count your residence upon the homestead, the south half of section 14, township 1, range 11, west of the 4th meridian, prior to 1911 and count such time as a settlement in the homestead entry, even though you actually may be in personal residence upon the land.

The residence conditions of the Dominion Lands Act are very important, and the Government requires a very strict compliance therewith.

If you desire to retain ownership of the land and keep your entry from being cancelled, it will be necessary for you to live upon your homestead or your pre-emption for six full months in each year until you have completed your settlement duties, not being absent from the land for more than six months at any one time.

During the time you are performing residence duties you must live upon your homestead in a habitable house, making it your home, sleeping therein every night and having no other place of abode.

Dear Sir:

Re: N.W. 12-1-12-W4

This Department has an old account against the above noted land for advances of relief, fodder and seed grain to Robert Fairbanks in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Re: Account of Robert Fairbanks
N.W. 12-1-12-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $118.50 were advanced to Robert Fairbanks on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 118.50	$ 223.75	$ 342.25

Patent was issued in the name of Robert Fairbanks for the N.W. 12-1-12-W4 on the 7th of June 1919, subject to the 1915 liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

This quarter section is presently under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is presently included in a lease issued in the name of a Mr. William Harvie, of Coutts, Alberta. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.
